About Robin by Jamie Puerschner

In loving memory of Robin Shawlinski. A TRUE WARRIOR and one of the strongest women I have ever known.

The most important thing I learned from Robin is to always have a positive attitude no matter what life was throwing at you. I think being positive is something we all need to work at, Robin just happened to be really good at it.

you are my {SON}shine!

Your Mom fought her cancer bravely from beginning to end.

Your Mom's  
favorite poem.  
Through all  
the tough  
times in her  
life she  
always had  
faith that  
God would  
help her  
through.

## FOOTPRINTS IN THE SAND

One night I dreamed I was walking  
along the beach with the Lord.  
Many scenes from my life flashed  
across the sky. In each scene I  
noticed footprints in the sand.

Sometimes there were two sets of  
footprints, other times there was one  
only. This bothered me because I  
noticed that during the low periods of  
my life, when I was suffering from  
anguish, sorrow or defeat,

I could see only one set of footprints,  
so I said to the Lord,  
"You promised me Lord,  
that if I followed you, you would walk  
with me always. But I have noticed  
that during the most trying periods of  
my life there has only been one set of  
footprints in the sand.

Why, when I needed you most, have  
you not been there for me?"

The Lord replied,  
"The years when you have seen only  
one set of footprints,  
my child, is when I carried you."

# My Wish

## By Rascal Flatts

I hope the days come easy and the moments pass slow and each row leads you where you want to go and if your faced with the choice and you have to choose

i hope you choose the one that means the most to you and if one door opens then another door close i hope you keep on walking till you find a window if its cold outside show the world the warmth in your smile . But more than anything , more than anything

(CHORUS)

(My wish for is that this life becomes all that you want to your dreams stay big your worries stay small you never need to carry more than you can hold and while your out there gettin were you gettin to i hope you know somebody love you and wants the same thing to yeah this is my wish.)

I hope you never look back but you never forget all the ones who love you in the place you live i hope you always forgive and you never regret and you help somebody every chance you get ooh you find gods grace in every mistake and always give more than you take but more than anything more than anything

chorus2x

yeah this is my wish for you  
i hope you know somebody loves you  
may all your dreams be big
